:: Message ::

My Dear Students –

On behalf of the College it is truly a pleasurable privilege for me to address you all at the advent of a fresh academic session with sincere hearty blessings and best wishes. Obeying ever always the invaluable saying of Swami Vivekananda – “Passion, not pedigree will win in the end,” – we are on the verge of crossing the existing academic year successfully though with certain undulations. I welcome the forthcoming academic session (July 01, 2019 to June 30, 2020) with utmost earnestness and enthusiasm. According to retrospection, the most significant event of the college is the successful crossing of the bar of the assessment and accreditation made by National Assessment and Accreditation Council (NAAC), Bangalore and the successful completion of the year-long Diamond Jubilee Celebration of the college.

There is no gainsaying the fact that mere accreditation by NAAC for a College is not all. It becomes only a sound platform for a fresh beginning of further systematic and needful development of the college. With a view to achieving far better accreditation next time, our immediate target would be “2021”. During the intermediate five years, our be-all and end-all would be to uplift further our own performances as well as the performances of our loving students. Once, almost all our students would come out with flying colours at the end of their academic courses, none can dater the prospect of the college. With this end in view, various new academic measures are needed to be adopted and, I firmly believe, there would be no dearth of active cooperation for those from any corner. For, we all admit that the glory of our college would be the supreme joy of our life's mission and vision.

Loving students! Finally, one important piece of information awaits you which has been relevant from the previous academic session i.e. Initiation of Choice Based Credit System (CBCS) - a system that has been implemented through semester mode of studies that earnestly demands the regular attendance of the students failing which the university does not consider the candidature of those students relating to its final examination.

I cannot conclude my message but citing once again great Vivekananda who quintessentially provides the whereabouts of the power and energy earnestly required to execute a great deed:

“Feel my children, feel; feel for the poor, the ignorant, the downtrodden; feel till the heart stops and the brain reels and you think you will go mad; then pour the soul out at the feet of the Lord, and then will come power, help and indomitable energy”.

You too, my students, try to feel the same as well as feel free to express your needs in proper forum of the college, feel proud for your mother institution, your second home, and be delighted with your college along with your academic exercises.

Wish you all a very bright, happy and peaceful future.

Dr Ramesh Kar
Vice-Principal
Bidhan Chandra College,
