Dear Sir/Madam,

India is a home to a number of influential religions providing an interesting perspective to evaluate the relationship between religion and culture. In this multi-religious and diverse cultural environment every Indian encounters a challenge to assimilate and understand the polychromatic religio-cultural ambience.

With this vision our college is going to organise a One Day National Level Seminar entitled - "Religion & Culture: An Indian Perspective" according to following schedule.

We cordially invite you along with the teachers, research scholars and students to participate in this seminar.
